To John Thomas Keysor:

You still hold a special place in my heart,
 Even though God has placed us apart.
 Being your twin was a special love,
 That could only be created in heaven above.
 You enhanced my life with your smiling face
 And the happiness you gave me, I will never replace.
 Jennifer Keysor

The Junior Varsity Volleyball team finished the year with an 11-11 record. This is a fine accomplishment considering the limited number of players on the team.

This team learned the importance of teamwork throughout the season and by the last game, they worked very well together.

The Junior Varsity team made numerous improvements over the year, and I have high expectations for them in the future.

The Varsity volleyball team worked hard this year to improve and finished with a 13-11 record.

This team worked very well together throughout the year and took most games to three matches. The highlight of the season was beating a very tough Crestview team.

Best Season Offensive Average: 51.5%

Most Assists for Season: Tereasa Bockey 108

Most Shots Blocked: Cindy Olberding 74

Most Assists for Career: Tereasa Bockey 267

Field Goal Percentage: Cindy Olberding 55%

The Tale of two halves: 4-7 the first half and 7-4 the second half. The high point of the season was the LCC victory in the midst of the second half comeback. A last second basket by Mary Bayliff off a full court inbounds play sealed the victory. The momentum of the second half carried the Lady Bearcats to their first ever sectional championship; and within seconds of getting to the District finals against the eventual State Champions, Kalida. The Lady Bearcats led at halftime against Miller City in the District Semi-finals, but couldn't hold off a surge at the end.

Coach Kuhn was very pleased with his Junior Varsity squad this year and is looking forward to having a good season next year.

1988 MUSICAL "HELLO, DOLLY"

Diana Kistler, Jeff Speer

Misha Boyer, Jeff Speer

Alex Studer, Daniele Patrick

Laura Hook, Laura Morris, Amy Fair

This year's musical was "Hello, Dolly." The musical provided each student with some type of educational experience. The musical tryouts were open to the entire high school, and all students were encouraged to participate. Some students took advantage of the musical aspect, while others took advantage of the acting aspect. Almost everyone developed a better educational outlook.

This year's cast was no exception, they were a smaller group, but they all put in as much time as a larger group. Having a smaller group enabled the directors to work on a more individualized basis. Having a smaller group also enabled the students to ask more questions, get more involved, and develop their talents. Hats off, to the "Hello, Dolly" cast, they all did a great job!
